NETFLIX - 2020/06/12

Scene	Duration	Panel	Duration
010	48:21	43	01:00

AFTER

building on top of the storyboard,
you can use the rig to match the
pose and then hand draw the expression
to be on-model (as per dos and don'ts)
but still capture the specific expression

the expression is customized/drawn
from the board expression

I adjusted the angle
of her body from the storyboard
so that her body matches her
eye direction, it looks less awkward
